3 February 2020 – SJ44B

Lightning Conductor –

6 January 2020 - LC26A

3 February 2020 – LC26B

Application Process

If you have not yet registered the details of your apprentices, please email their names to [Nick Hutson](mailto:Nick.Hutson@citb.co.uk) and then complete the application form on the [CITB website](http://www.citb.co.uk).

Please note that there is a maximum of eight on a Steeplejack course and 10 on a Lightning Conductor course. Places are available on a first-come first-served basis.

Deadlines

The deadlines for placing your apprentices on the above course dates are detailed below, and after this time, places will be open to all for anyone wanting extra places.

SJ44A – deadline for booking – **26 November 2019**

SJ44B – deadline for booking – **20 December 2019**

LC26A – deadline for booking – **26 November 2019**

LC26B - deadline for booking – **20 December 2019**

Please be aware that by emailing CITB your apprentice details this does not guarantee their place until they have applied online.

*****Please note there will be no Steeplejack Apprenticeships in 2021 unless the [Association of Technical Lightning & Access Specialists \(ATLAS\)](http://www.atlas.org.uk) gets significant input and support from employers now, to develop a new Steeplejack Apprenticeship Standard. Please contact Tamsin.Parkes@atlas.org.uk for further information*****
